There is no charge to register an entry in the Parade of Lights. This year’s parade, will be like last years, and is a standstill parade meaning, the “floats” don’t move the people do. All parade entries will be assigned a certain spot to park their displays on the block from Court Street to Market Street. We encourage you to decorate and celebrate just as you would if this was a float that was moving. MAYBE DO MORE ☺ The public will be invited to walk down Main Street from 6-6:45pm, stop by the displays, check out the local businesses and get in the holiday spirit! No entries can contain a live Santa as he will arrive around 6:40pm and lead the public to light the community Christmas tree located at Ratingen Platz. Immediately following the lighting of the tree, parade displays will need to come down as the streets will reopen at 7:30pm. Please plan to have a source of electricity available, if needed, for displays.
